4-H PLEDGE

I Pledge:

My head to clearer thinking,
My heart to greater loyalty,
My hands to larger service, and
My health to better living,
for my club, my community,
my country and my world.

WHO IS 4-H FOR?

4-H is for students age 9 to 19 who want to go places, do interesting things, learn new skills, make new friends and have fun!

DPA... District Project Achievement is perhaps one of the most valuable learning experiences 4-H can offer. You research, write and practice speeches on chosen topics to compete at the district level— meanwhile learning crucial academic and life skills. When asked what is the most important skill/lesson gained from 4-H, individuals who have been long-term 4-H members, are most likely to choose DPA because of their public speaking experience.
